Swim and snorkel and enjoy the breathtaking views these three lagoons offer. Tour A also takes you to Shimizu Island where a white sand beach awaits eager sunbathers. Shimizu is also where you will stop for lunch and spend most of your time. Next stop will be 7 Commando Beach. This beach prides itself with its white sand beach. A little bar that will serve you refreshing tropical fruit juices as well as alcoholic drinks. Snorkeling is highly recommended as encounters with sea turtles are quite often.

DAY 3 JULY 17, TUESDAY

Breakfast
Proceed Island Hopping Tour C

Tour C's first stop is at the Bacuit archipelago. Many people argue about its peculiar shape. Some say it looks like a helicopter, some a camel, a dolphin and even a dinosaur! Find out for yourself and let us know what you think. Next stop is Matinloc Shrine. Walk around this abandoned convent and school and even climb a rock formation if you're adventurous! After lunch, you will be brought to three spectacular beaches: Secret Beach, Star Beach and Hidden Beach. I will refrain from giving out descriptions for these three beaches and leave something to your imagination. I will just say that if the Leo di Caprio shot his famous movie, The Beach here in either of these islands, I am certain it would've sold even more tickets!
